PROMOTE

your athletes for college recruiting

REAL TIME

scores & news to the palm of your fan's hands

DOUBLE YOUR REVENUE

ads, e-coupons, sponsorships & fundraising

What is Mobi?

- All in one Mobile App and Website!
- Sports Mobi gives your team an all-in-one mobile and web presence, along with offering the best features for your fans and advertisers.
- Fans can access rosters to view star players, view brackets, coupons, schedules, real-time news and scores, and more all from the palms of their hands.
- Your sponsors will love it because more fans will be looking at their ads.
- Sports Mobi cuts out the webmaster, with an easy to use, intuitive administrative panel used to update the App and Website!

*Mobile Application compatible with most touch-screen mobile devices. Compatible BB devices include Storm, Touch, Galaxy and more.

Mobile App & Desktop

Get your Mobile App & a Desktop Website. Publish Mobile and Desktop content all with the click of a button – eliminating time, need for a webmaster.

Polling

Customizable user polling gives you insight on user behavior, or just to vote on the next player of the week!

Store*

Mobile and web storefront features apparel, ad space, or even gear for your team. Customize categories for your merchandise.

Rosters

Player rosters along with photos, spirit ads and biographical information including a player's number, position and classification.

Ads & Coupons

Make selling ads easier for your existing sponsors or increase what you currently charge with ads & coupons on fans' mobile phones.

Communication

Email and text your booster club and fans alike. You can send emails and texts from your all-in-one MobiTree solution.

Recruiting

"Player of the Month" feature, League Leaders, Notable Alumni, and Standings, so recruiters have easy access to up and coming stars!

Donations/Fundraising*

Give your fans the easiest way to Donate. Using the latest technology, your fans can donate straight from the stadium stands. Push-button-simple fundraising!

Registration*

How do hopefuls sign up for your team? Now they can straight from their Mobile Phone with integrated Registration.

Coach's Show

Fans can get ready for this week's matchup by listening to an interview with their head coach talking about what they need to do to win.

GPS Schedules

Up-to-the-minute schedules for all your teams complete with GPS capabilities to help fans get to the game easier to cheer for your team.

Much More

Find scores from previous years or check out current playoff standings to see who will be competing for a state title this year.

Brackets

Access Brackets with the touch of a button. Zoom/Pan for ease of viewing.

Scoreboards

LIVE scores in real time from the game, and previous scores at game's end, so your fans never miss a play! Fans can view previous scores, or watch the live game!

Videos

Watch videos of last week's game, interviews with your favorite athlete, or the marching band at half time. Any video straight from the mobile phone.

Photo Gallery

The photo gallery allows parents to brag about their special athlete, while fans get to relive the biggest moments of the season.

Coaches Bios

Learn all about your team's coaching staff including personal biographies, info about their playing days and previous coaching stops.
